

## RJCS Carpark Guidelines

- Stick to the 10km/h speed limit at all times.
- Please observe disabled parking bays.
- You may use the side carpark (behind the Library & MPH), but not the teachers' carpark.

### Before 8:45

- There is no 'kiss and park' or 'drop and drive' area. Please use parking bays and allow children to alight from there.

### After school.

- Please follow the green pathway when entering and parking in the carpark.
- You can reverse into parking spaces on the outer parking area *if you arrive before 3:15pm*
- Please do not stop in any other area.
- Kindy and PP students need to be collected by an adult and taken to the car.
- Children must stay in the car and not loiter/play in the carpark area.
- Please follow the arrows as indicated by the blue pathway to exit. (The red lines indicate current unsafe driving.)

*Recommended Parking: The checkerboard style parking in the centre prevents children from banging doors into other cars and allows drivers to leave unhindered by the car in front. While recommended it is not mandated.*
