## **Application for Enrolment**

### Preamble

Dear Parents,

We look forward to welcoming your child to the John Calvin School, a school that provides an education based on God's Word as is taught in the home and in the Church.

As part of the enrolment process, we feel it important to highlight the following key foundational elements of the Free Reformed School Association:

#### **Reformed Education**

The John Calvin schools have been established by the Free Reformed School Association, which is an Association of members of the Free Reformed Churches of Australia.

The object of the Association is to assist the parents within the Free Reformed Churches of Australia in the provision of Reformed education for their children, by the establishment and maintenance of schools committed to providing education which conforms to God's Word (the Bible) as summarised in the Confessions (three forms of unity).

The aim of the Association is that God's children are educated and nurtured within covenant community to live for His glory in submission to Him. This aim is achieved by having distinctively Reformed schools that display a love and obedience to God, where the knowledge of Holy Scripture underpins all learning.

One of the hallmarks and strengths of the John Calvin Schools is that (by Constitution) all parents who wish to enrol their child(ren) must subscribe to the Confessions and be members of the Church. This ensures that the Christian Worldview taught at school aligns with what the children are taught at home and in Church.

#### **Communal Membership**

Over many years we have been blessed with a good standard of private education at an affordable cost for all the children of the church community. This is possible because the Lord provides support for the Association through all His people. This is evident in that over half of the members of our Association do not have children currently at school. We are grateful that the Lord provides so much through His people.

We have been blessed with this communal membership system since the inception of the FRSA, whereby the provision of Reformed education has always been the shared responsibility of the whole church community, with the school funded through Association member contributions rather than fees charged only to parents with children at school.

This enduring principle helps ensure that reformed education remains affordable for everyone and allows the entire covenant community to share in the privilege of supporting the education of each new generation of covenant children.

In benefiting from such a system, it is honourable for parents to remain a member of it not only before, but also after their children have left the school system. In this way coming generations may also benefit from the blessing of this communal membership system.

May you and your children be blessed through the Lord's gift of covenantal schools, and ultimately may His Name be honoured.
